Dears Sirs

I am writing you as a Ham radio operator (KB4VJD) and as  
and operator of radio controlled model airplanes and boats. I have  
just learned of PR Docket 92-235 which is another attempt by  
special interests to steal band width from private citizens who  
have invested time and money in educational and citizen enhancement  
hobbies . Please don't let them take away the little bit of  
spectrum that we have left or make the ones now in use unsafe to  
use.

We really need your help and concern in this matter.

Sincerely,

Frederick S.Kelsey KB4VJD
